Executive Director
Ronald McDonald House of Long Branch
131 Bath Ave. Long Branch, NJ 07740

Dear Ms. LeBaron,

The Ryan Andrew Kaiser Memorial Foundation is interested in helping the Ronald McDonald House care for families and children who are staying with them while undergoing critical care at the local hospitals.

Our lead donation of \$10,000.00 will help to build a playroom dedicated to the children of the RMH. We feel that providing a fun and safe respite for the children is a great escape from the illness that challenges them.

Our foundation the RAKMF rakmf.org is largely funded by our annual running event called Ryan's Run - RyansRun.org. We are proud of our runners, sponsors and those that donate to us. They help the RAKMF to help children and families with critical medical issues.
